Sub:- Enhanced and improved Unified ESIC Website, www.esic.nic.in – reg.

Madam/Sir,

Please refer earlier letter no. E-13/12/26/2017-PR dt. 07/05/2019 regarding functioning of Unified Website www.esic.nic.in. In this connection, the Unified Website of ESIC has recently been enhanced and improved with introduction of new configuration/tabs for easy access of the information to the visitors of the Website. The Website is quite popular and have seen increased traffic and growth of visitors since upgradation. The following new enhancements in terms of providing information and easy accessibility to the visitors have been made/introduced :

1. **ERP Module as per MCI Guidelines** – Medical Council of India (MCI) had asked to maintain updated details of college information in respective college website and therefore as per their instructions existing Micro Websites of the ESIC Medical Colleges & Hospitals got enhancement. Now, all ESIC Medical Colleges & Hospitals can upload and update the "information as mandated under clause B.1.11" of MCI guidelines through their login credentials.

2. **W3C Web Content Accessibility Guidelines (WCAG) -** Guidelines for Indian Govt. Apps and Websites stipulates that existing Website should be equipped **with the facilities of audio enabled services for visually challenged and senior citizens.**

   Accordingly, ESIC Website has now been developed with WCAG services which works perfectly on all types of devices (Desktop, Laptop, Android, Windows, iOS and Smart Phone etc.

3. **Micro Website for ESI Hospitals (run by State Govts.)** – ESIC Unified Website, **'www.esic.nic.in',** carries Micro Websites of the units of ESI Corporation namely, ROs, SROs, ESIC Hospitals and ESIC Medical Institutions. However, ESIS Hospitals (run by State Govts.) could not be developed and unified earlier.

   Now, Micro Websites for **107 ESIS Hospitals (run by State Govts.)** has been designed, developed & integrated in NIC (www.esic.nic.in) Website.

05.08.2020

The User ID and Password of all ESIS Hospitals have been provided to respective Regional Director and they may now access, distribute and contrel Micro Websites of ESI Hospitals of their Region. Regional Director may provide Users IDs and passwords subsequently to concerned Medical Superintendents of ESIS Hospitals and guide them to update the information on their respective Micro-Websites with the help of IT Manager & SMO of their Region. Further, we may ask IT Manager & SMO to monitor and ensure such updation of the Micro-Website of ESIS Hospitals.

The updating and uploading of the information on such Website may be decided and done by Medical Superintendents of ESIS Hospitals in consultation with the RD concerned.

4. **Improved Tie up Hospitals Tab of the Website –** The list of Tie up Hospitals has been designed afresh and made user friendly wherein any visitor can find State-wise list of Tie-up Hospitals and Diagnostic Centers.

5. **Improved Tender & Recruitment Tab of the Website -** The admin of all the ESIC Hospitals (www.esichospitals.gov.in) may now also upload/update their Tender & Recruitment, Documents directly at ESIC NIC Website www.esic.nic.in through either their old login credential at Old URL (https://www.esichospitals.gov.in/admin) or New URL (https://www.esic.nic.in/app/webroot/esichospitals/admin). Now, tender and recruitment of Hospital will be displayed automatically at HQRs page.

6. **Integration of Doctor Appointment System/Dispensary Referral Module** – The integration of Doctor Appointment System through live data and Dispensary Referral Module in the ESIC Website, www.esic.nic.in, is also in progress, at present.

7. **Updation of Directory etc.** - has recently been carried out and ESIC Website has been given a new and dynamic look so that visitors find it user friendly, informative and easy to navigate.

Since Micro Websites hosted at ESIC Website www.esic.nic.in of Regional Offices, Sub-Regional Offices, ESIC Hospitals and ESI Medical Institutions have now been improved further, it is requested to make full use of the Website and do all the needful and **update the contents by 21/08/2020**. The enhanced features of the Website is going to help, educate and inform the ESIC Stakeholders and other people in a big way. The Website will also disseminate the information of all the relief/welfare measures initiated by ESI Corporation to its end users. The enclosed 'Glimpses of New Modules' of ROs/SROs, Medical Colleges and ESIC Hospitals may be perused for kind reference in this regard.

This issues with the approval of Director General.

Hindi version follows.

Yours sincerely,
